

COST Action TU1002
Accessibility Instruments for Planning Practice in Europe

Agenda

5th & 6th of July

Core Group Meeting
Management Committee Meeting;
Working Group Meetings;
Scientific Sessions

Venue

[M-Building](#) of the Roeterseiland Campus (University of Amsterdam),
Plantage Muidergracht 12, 1018TV, Amsterdam

Day 0: Wednesday, 4th July, 2012

15:00 – 17:00: Presentation of SNAMUTS Randstad **M1.03**

A joint initiative of Goudappel Coffeng (Amsterdam) and the SNAMUTS team (Carey Curtis & Jan Scheurer) to present the analysis made of the Randstad area. About 20-30 policy stakeholders and consultants will be invited, but also the COST Action is invited to join in.

Day 1: Thursday, 5th July, 2012

09:00 – 10:30: Core Group meeting **G2.10**

A meeting to discuss the management issues of the COST Action. Invited: Angela Hull, Enrique Calderon, Nuno Porte Pinto, Luca Bertolini & Marco te Brömmelstroet

10:30 – 11:00 Registration and coffee **Room: M1.03**

11:00 – 12:45 Discussion on Accessibility as Knowledge **Room: M1.03**

On the first day of the MC meeting the focus will be on the process protocol of the Local Workshops. What are the WU's going to do with their accessibility instrument and why. Keynotes will be focusing on what it means to conceptualize accessibility as planning knowledge.

Chaired by Luca Bertolini

11:00 Welcome and opening of the MC meeting

By Marco te Brömmelstroet: The venue, the program and COST progress

~~11:15 Using (accessibility) knowledge for strategic transport planning processes: what does it mean~~

~~——— *By Henrik Gudmundsson (invited keynote speaker)*~~

11:15 Land use and mobility planning in Amsterdam

By Luca Bertolini

11:45 Questions and discussion

With focus on accessibility instruments

12:00 The role of indicators in strategy making processes

By Thomas Fischer (invited keynote speaker)

12:30 Questions and discussion

With focus on accessibility instruments

12:45 – 13:45: Lunch

Opportunity to take a lunch at designated places outside (near to the meeting building)

13:45 – 15:15: Presentation/Discussion on Process Protocol **Room: M1.03**

Chaired by Luca Bertolini

13:45 Presentation on the Process Protocol of Pilot Workshop

*By the members of Workgroup 3 that were present at the Pilot Workshop and Goudappel
Coffeng*

14:30 (Guided) Q&A/Discussion on Process Protocol of Pilot Workshop

Everybody (“do we want to do it like this” & “can we do this at home”)

15:15 – 15:45 Coffee-break **Room: M**

15:45 – 17:00: MC Meeting **Room: M1.03**

Note: This session is for MC member or MC substitutes replacing absent MC members. Everyone may participate but only MC members or MC substitutes replacing absent MC members may vote.

Chaired by Luca Bertolini

1. General Information
2. Minutes of last meeting
3. JRN (Nuno Pinto)
 - 3.1. Feedback on last STS
 - 3.2. Plans for the future
4. Budget execution of 2011/2012
5. Action Planning (including meetings)
 - 5.1. General Overview of Action schedule /detailed view of next stage until next MC meeting)
 - 5.2. Review of scheduled meetings – MC and STS (until end of Action)
 - 5.2.1. New venues and dates
 - 5.2.2. Aims and outcomes of next MC meeting
 - 5.2.3. Need to approve an amendment to budget and work plan for 2012/2013
– MC voting of changes
6. Other issues

20:00 Common Dinner

CANVAS restaurant on the Wibautstraat 150 (7th Floor)

Day 2: 6th July 2012

9:00 – 10:15: Scientific Discussion Session 1 Room: M1.03

The second day will focus on the Measurement protocol. What are the WU's going to measure in their Local Workshops and how is this going to be structured. Keynote speaker will present examples of measurement and research issues.

Chaired by Luca Bertolini

9:00 Measuring impacts of process interventions in controlled experimental environments

By Etienne Rouwette (invited Keynote Speaker)

9:45 Questions and Discussion

Focussed on the transferability to the realm of accessibility instruments

10:15 – 10:45 Coffee-break Room: M

10:45 – 12:15: Presentation/Discussion Measurement Protocol Room: M1.03

Chaired by Luca Bertolini

10:45 Presentation on the Pilot Workshop: Measurement Protocols

By members of WG3 that were present during the Pilot Workshop

11:30 (Guided) Discussion on Pilot Workshop: Measurement Protocols

Everybody (“do we want to do it like this” & “can we do this at home”)

12:45 – 13:30: Lunch free

13:30 – 15:00: Parallel WG meetings Room: MS.01 + M0.01

Workgroup 2: closing off work and explore further possible collaborations (i.e. academic publications, 1 on 1 collaborations)

Workgroup 3: based on the discussions held decide on the further work towards Pilot Workshop II (Munich) and maybe early Local Workshops.

15:00 – 15:45: Closing discussion and goodbye Room M1.03

Looking back on the MC meeting, the scientific contributions and the Workshop Protocols. Looking forward to the next meeting

15:45 – 16:30: Parallel WG meetings

Room: M1.03

Workgroup 4: First meeting of WG4 to discuss the set up and arrangements for the final book of the COST Action.

16:30 Possibility to join a city tour

An informal visit to the old NSDM ship wharfs that are now becoming a cultural hotspot. We will travel there by ferry, so you will also see a glimpse of the harbour. For those that want, we can close of with a diner on location
